Dear Mr. Seeburger:

We received your advance notification for the South Florida East Coast transit Analysis Tier-1 EIS. The Federal Railroad Administration (FRA) is the USDOT operating administration responsible for intercity passenger rail. While we cannot attend your meetings in Florida, please keep us informed regarding the progress of this study.

Please send further correspondence for the Federal Railroad Administration about this and any FDOT PD&E activities to:

Mark Yachmetz
Associate Administrator for Railroad Development

Also, please remove Margaret Reid from FDOT PD&E mailing lists.

Sincerely,

David Valenstein
